COLLIN MORIKAWA
Honoree

OCTOBER 3, 2022 | BEL-AIR COUNTRY CLUB

2022 HONOREE

COLLIN MORIKAWA

Morikawa, who was born in Los Angeles and attended La Canada High School, has already found success on the PGA Tour since he graduated from UC Berkeley and finished as a runner-up for the Ben Hogan Trophy in 2018 and 2019.

In his brief PGA career, Morikawa already has five wins including a World Golf Championship victory and two major golf championships: the 2020 PGA Championship and the 2021 British Open. Morikawa had a brilliant amateur career, winning five times and spending three weeks as #1 on the World Golf Amateur Ranking. As a member of the 2021 Ryder Cup, he went 3-0-1 and finished tied for third in the 2020 Olympics. As of this writing the 25-year-old has earned over \$17 million and ranks in the Top 10 in the Official World Golf Rankings.

Welcome Letter

Welcome to the 42nd Annual FOG Charity Golf Tournament as it returns to Bel-Air Country Club. This year, we're excited to have Collin Morikawa place his name alongside the other great FOG Honorees. Only a few years removed from the University of California/Berkeley, Collin has already won five PGA Tour events including two major golf championships, the 2020 PGA Championship and the 2021 British Open. As of this writing, the La Canada High graduate is number eight in the Official World Golf Rankings and has amassed over \$18 million in winnings.

Also honored this year with the Ken Venturi Spirit of Giving Award is one of the most accomplished broadcasters of our time, Al Michaels. Al has called numerous sporting events over his Hall of Fame career and his "Do you believe in miracles?", following the USA's upset of the Soviet Union in the 1980 Olympics hockey semi-final, still ranks as one of the most memorable lines in sports history.

As always, we wish to extend our deepest gratitude to our terrific sponsors, our loyal participants, and our wonderful volunteers. The support given to FOG over the years has allowed us to donate over \$10 million to a variety of youth golf organizations that include SCGA Junior, SCPGA, high schools, colleges, and many other deserving organizations promoting the future of golf. FOG also remains active as founding sponsors of the Ben Hogan Trophy, an award that recognizes a male collegiate golfer who has excelled at the college and amateur levels. This year, the Hogan Foundation added the Eddie Merrins Trophy to be awarded to an individual that has dedicated their life to the great game of golf. As always, we want to send out a special thanks to our long-time title sponsor Konica Minolta. They have been an exceptional partner in helping FOG realize its mission of ensuring the future of the great game of golf.

KEN VENTURI AWARD

*AL
MICHAELS*

Friends of Golf (FOG) announced that legendary broadcaster Al Michaels will be the 2022 recipient of the Ken Venturi Spirit of Giving Award. The award which bears the name of Venturi, due to his long-time support and participation in FOG, will be presented to Michaels during the 2022 FOG Charity Golf Tournament scheduled for Monday, October 3rd at Bel-Air Country Club.

Michaels' career has been full of highlights, awards, and achievements including eight Emmys. He got his announcing career started as color commentator for the Los Angeles Lakers radio broadcasts next to Chick Hearn. His travels then took him to Hawaii, Cincinnati, San Francisco, and NBC before landing at ABC for three decades. Along the way, Michaels has announced college basketball, minor and major league baseball, horse racing, boxing, NBA and NFL, college football, ice skating, and of course, hockey, where his historic line, "Do you believe in miracles?" followed the USA's upset of the Soviet Union at the 1980 Winter Olympics. He returned to NBC in 2006 to call Sunday Night Football. Recently, Michaels finalized an agreement with Amazon to call play-by-play for their exclusive Thursday Night Football games alongside analyst Kirk Herbstreit.

Robert Trent Jones, Sr. has been called the "father of modern golf course architecture". He designed his own golf course architecture program at Cornell University before any such program existed and was the first to use many modern design and construction techniques. Through a long career he built and remodeled over 450 courses in the US and throughout the world. Jones considered **Robert Trent Jones Golf Club** his masterpiece and envisioned a championship course that would provide a retreat in the Washington DC area dedicated to golf. Course construction started in 1988, and the golf course formally opened in April 1991. "The terrain is aesthetically perfect," Jones said. "I don't think we could have done anything better anywhere."

Interesting to note, RTJGC is hosting the 2024 Solheim Cup and has been the inaugural host in 1994 of The President's Cup as well as repeating again as the host in 1996, 2000, and in 2005.
