

To Friends of Golf, INC
% Sal Cimbolo, Chairman

5/27/25

I took the opportunity to sign up and play golf- a sport I knew nothing about. We were never going to play on our campus; no one I hung out with knew anything about golf - but I was intrigued by the idea of spending time on a golf course and learning a skill that might or might not be something that would benefit me in life.

I am glad that I played for Cesar Chavez for two years, and actually medaled at our League Finals this year. I learned how to persevere through frustration, to challenge myself to play my very best against other guys from other schools, and to find another level of confidence that I didn't know I had. My experience with golf has helped me to be open to new experiences and to not give up when something that seems so easy is actually very difficult to master.

I appreciate that our coach has clubs for everyone, bags with our school name, and knows quite a lot about the game. I hope that Chavez Golf lasts for many years to come, so that other people like me who do not play traditional sports will always have this chance to try something new, to belong to their school team, and to learn more about themselves through the sport of golf.

Sincerely,

Ricardo Ballin

Dear Friends of Golf Organization,

I hope this letter finds you in good health and high spirits. I am writing to express my deepest gratitude for your generous support of the Hueneme High School Golf Program. Your invaluable contribution has not only made a profound impact on my life but also on the lives of numerous students from low-income families.

Since your sponsorship, our golf program has flourished, and it has given me the opportunity to introduce the wonderful sport of golf to students who would have never had the chance otherwise. Your unwavering support has allowed Hueneme High School to create an inclusive and accessible environment, providing a level playing field for students regardless of their economic backgrounds.

One of the most rewarding aspects of this sponsorship has been witnessing the joy and excitement on the faces of students as they step foot onto a golf course for the first time. For many of them, it was an entirely new experience, and they never dreamed of being able to play a sport like golf. Your sponsorship has opened doors that were previously closed, giving them an opportunity to explore a sport that they may have otherwise never considered.

The impact of your support extends far beyond the golf course. Through this program, students have gained valuable life skills such as discipline, perseverance, and sportsmanship. They have learned to set goals, work hard, and overcome challenges, all of which will undoubtedly serve them well in their future endeavors. Your contribution has empowered these students, instilling in them a sense of self-belief and the confidence to pursue their dreams, both on and off the golf course.

I cannot express enough how deeply grateful I am for your commitment to not only our golf program, but golf programs throughout Southern California, and to the students who benefit from it. Your generosity has made a profound difference in their lives, and I am honored to have been a part of this journey alongside them.

Please accept my heartfelt appreciation for your unwavering support and for investing in the futures of these remarkable students. Your love of promoting golf coupled with the belief in their potential and education, has made a lasting difference that will resonate throughout their lives and will greatly impact our community.

With sincerest gratitude,

Coach Lou Toilolo

April 25th, 2022

Sal Cimbolo and the entire Friends of Golf Team,

I am writing this letter in regards to the generous donation you made to the Highland High School boys and girls golf programs. Highland is always in need of both funds and clubs to help run our programs. Our golf programs have been on the rise for the last few years thanks to Friends of Golf organizations generous donations of both clubs and money. Due to the fact that some of our students don't have any golf equipment, these funds and clubs that we have received from your organization are a great benefit. The Friends of Golf organization has kept our program alive and saved us from making cuts to both the boys and girls programs. Without the Friends of Golf it would not be possible. When I took the program over we had equipment that was over twenty years old and not one full set of clubs. Due to the kindness and generosity of Friends of Golf we are able to get more of our students involved and excited about golf every year. This season we finished 3rd place in the league. Previously we had been 7th or 8th.

Thank you very much for your efforts to keep high school golf flourishing.

Jeffrey S. Smith

May 2, 2022

Dear Mr. Cimbolo and members of the Friends of Golf,

I am sending this letter in appreciation of the generous donation provided to Los Osos High School Girls Golf Program from your organization. We will be a new program in the Fall of 2022, so your donation will help us get up and running. We plan to use your donation to help pay for green fees at our home course, Upland Hills Golf Course. For the past 20 years, Los Osos has had a boy's golf program, and girls have competed with the boys in the spring. A new opportunity to start a girl's team at our school has come to fruition, and I am extremely excited to get started as are the student athletes. The support of your organization not only helps our program but helps to sustain the future of golf. Thank you again for your willingness to help golf programs in Southern California.

With gratitude,

Greg Walker

Re: Friends of Golf donation
Date: April 25, 2022

I wanted to personally reach out to extend our sincere gratitude for the generous donation from Friends of Golf to Rim of the World High School. This donation will go a long way in helping to provide materials and equipment for our students, many of whom are underserved. Without a doubt we will see an increase in the size and scope of our team as they grow in numbers due to this donation. As you well know funding for athletics at many high schools across California has either been cut or is insufficient to meet the needs of our student athletes, so again many thanks as this donation will help considerably. We truly value all the work you do at Friends of Golf, and for your years of generosity.

Sincerely

Ryan Reisbord M.Ed

April 25, 2022

Dear Friends of Golf,

I wanted to take a moment to thank you for your consideration and donation to the Newport Harbor golf program. I have been coaching the girl's/boy's programs for the past twenty-two years. I feel very grateful to be able to participate in the program. With the recent dramatic issues concerning the economy, support for the program has diminished and your support is greatly appreciated. I can see that the student athletes are excited to get back into a routine that includes extra-curricular activities and getting to see their friends daily. Many of them have commented that they never realized how much they enjoyed school until it was taken away. Our program has been extremely competitive the past few years and we now have a mixture of total beginners to lifelong golfers. We plan on getting more green fees paid for the team with the support you have provided. Our program focuses on the fundamentals, etiquette, and Victory with Honor principals. Our girls' team is on the rise and developing quickly while our boys' team is doing the same. We have several Valedictorians coming through the program, and it is a lot of fun to see all the seniors excited as they pick where the next chapter will be written. I truly enjoy being a coach and participating with junior golfers. I feel very fortunate to have the opportunity to coach at such a great school where we create lasting relationships and memories. On behalf of the Newport Harbor golf team, I would like to say thank you for supporting junior golf and all the teams that requested your help.

Sincerely,

Mr. Sal Cimbolo, Chairman and CEO

Friends of Golf, Inc.

9854 National Blvd. #340

Los Angeles, CA 90034

Dear Mr. Cimbolo,

Please allow me to thank you for Friends of Golf's very generous donation to the Northwood High School Golf program. Our ladies' team finished in first place this year in the Pacific Coast League completing back-to-back championships and our Boys are off to a great start. I can say with confidence that this would not be possible without the support of Friends of Golf.

Your donation enables us to buy practice range balls, practice green tubes, and green fees for practice rounds and matches – all crucial pieces in developing young golfers. More importantly, it gave them a great model of how generously young golfers are supported by the golf community and inspired some of my team to volunteer in our community to help younger players. That is worth more than any championship.

Thank you again, from all of us here at Northwood High.

We are many. We are one. We are Warriors!

April 20, 2022

To Mr. Cimbolo,

Our program would like to send a big THANK YOU for your support of the Woodbridge High School Boys and Girls Golf! It gives me great pleasure to see support in our community from Friends of Golf, Inc. Over the two seasons, the costs associated with golf have been tremendous. Yet, with support from amazing people like yourself, we have seen our players become better individuals both on and off the golf course. We are fortunate to have a diverse team of varying abilities, and it has been a wonderful experience to see our all our players develop a respect for the game.

Irvine Unified is a district with parents who are highly motivated to see their kids excel both in academics and athletics. The skill level of golf in our area is exceptional. I cannot wait to see where your contribution takes our team to this coming season!

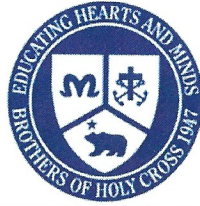

Thank you for your support in making an exceptional imprint on our campus community here at Woodbridge through your donation. Our Boys team has taken on new players with disabilities to the team this year, and donations like yours have been instrumental in helping make these kids feel welcome to this amazing sport.

It gives me great pleasure to accept your support and we all sincerely appreciate it! From our team to yours, a huge THANK YOU for your support!

Sincerely,

NOTRE DAME HIGH SCHOOL

Dear Mr. Sal Cimbolo,

On behalf of the Notre Dame Athletic Dept and the Men's and Women's Golf Programs, I would like to thank Friends of Golf for their continued support each year. Our golf programs have had the honor of receiving your donations in the past and it always goes a long way for what we are trying to provide for our Student Athletes and their golf experience.

Both our Men's and Woman's teams have seen growth in our success in the past year and we hope with the continued support of Friends of Golf we will continue to grow the sport at the High School Level.

Please feel free to come watch our teams play at any time and we look forward to continuing to play the game with respect and passion each day our Student Athletes step on the course.

Thank you for all you do for the sport.

Sincerely,

Alec Moss
Athletic Director
Notre Dame High School

UNITED  CHRISTIAN
ACADEMY

To *Friends of Golf, Inc.*,

It was with joy that United Christian Academy received a generous check this past week from your organization for the development of our golf program! While many area golf programs are already up and running, I wanted to let you know just how important this donation is for our school and golf program.

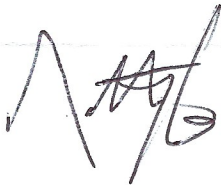

We are a growing K-12 Christian school in Rancho Cucamonga, and for the first time ever participated in a Junior High golf league this spring! There were 27 student athletes in the league, and 13 of them were UC Academy students! We have noticed a natural tie and fit with golf and our community here, and so we are excited to start our high school golf program next academic year.

These funds will be of vital assistance to help start our program and provide for needed resources. We are so thankful to everyone at *Friends of Golf* who recognize what an important game it is and the character and life lessons it can teach.

We look forward to growing our program here at UC Academy, and hope that *Friends of Golf* can continue to be an advocate and supporter of our program and programs all over southern California!

Thank you,

Mr. Nathan M. Kok

Athletic Director
United Christian Academy

December 20, 2021

Friends of Golf,

Once again, we thank you for your incredible support and belief in our work. Thanks to your ongoing investment, the SCGA Junior Golf Foundation continues to develop youth both on and beyond the course. Our youth reflect the entire communities where we serve in terms of gender, ethnicity and socioeconomic means and they are ***golfers!***

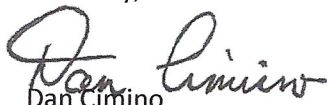

As one of our partners said, we don't want to be guests in the communities where we work, we want to move in. With the help of Friends of Golf, that is exactly what we have done and continue to do. Our coaches are onsite, working with kids 6-7 days a week at the facilities where we operate. We are serving as role models, we are creating affordable access and we are ensuring that our kids have opportunities to succeed in and beyond the game.

While this past year was full of challenge, our programs were up and running at full capacity as soon as safety protocols allowed and were at full capacity almost the entire year. In fact, we had our Player & Youth Development participants register for more than 6,000 activities this year and our SCGA Junior Youth on Course program saw juniors check in to practice or play nearly 100,000 times. With Friends of Golf, we are making the game more inclusive, equitable, accessible, and diverse. And the program continues to get results. Our ongoing evaluation is reporting that parents and kids are observing measurable improvements in areas including self-confidence, emotional regulation, social skills, and positive perseverance. Perhaps this parent sums up best the impact you have helped us make:

My husband and I are beyond grateful for this program to be offered in our community serving minorities. We never imagined our sons would learn and really enjoy playing the game. The three questions I always ask my sons after their golf session are: Did you have fun? What did you learn? What can you improve next time? The response for the first questions is always, "YES it was fun today!"

Thank you for your support for so many facets of golf and for your ongoing giving to the SCGA Junior Golf Foundation. We are grateful.

Sincerely,

Dan Cimino

Los Angeles, CA 90034

Dear Sal & Friends of Golf members,

Thank you sincerely for your continued support of our high school golf teams. On behalf of the boys and girls teams, we would like to thank you for the generous donation to our programs again this year.

Both the girls and boys teams have had successful seasons. The girls team was composed of only freshmen and sophomores, so we are looking for continued growth in the coming years as well. The boys team is in first place in Channel League after a close but solid victory over their crosstown rivals yesterday! Many of these athletes hope to play at the next level, but all are having fun being part of a team.

All of our athletes are hard working and are learning a lot about life via the challenge of the sport. Thank you for allowing us to better focus our time and efforts on coaching instead of so much on fundraising! We truly appreciate your generosity.

We have enjoyed being able to take the kids to the range to work with them on their swings, as well as send them out in sharp looking uniforms. Spending time with student athletes outside, getting to watch them have fun on the course with their friends, and being a part of their learning has been truly rewarding. Thank you for all that you do to make this possible; we couldn't do it without your support!

Sincerely,

Sarah & Jeff Ashton

May 1st, 2022

Dear Mr. Cimbolo,

This letter is to acknowledge your generous gift to the West Valley girls and boys golf programs. In receiving this donation, we were able to purchase golf shirts for both the boy's program and the girl's program and buy new golf balls for both programs as well. Once again, you have helped us provide a more complete golf experience for the participants in our program.

More importantly, the work you do helps to grow the game of golf and make it lifetime endeavor for many who might not otherwise have the opportunity. Golf not only promotes a healthy life style but teaches values such as honesty and integrity. As it can be very expensive to play the game, your financial support helps us bring golf to many who would not otherwise be able to participate.

Thank you again for your continuing support of the youth of Southern California.

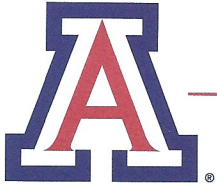

Sincerely,

Trent N. Long

Boys and Girls Golf Coach

FOG – Friends Of Golf
Attn: Mr. Sal Cimbolo
9854 National Blvd. #340
Los Angeles, CA 90034

Dear Friends of Golf,

On behalf of The University of Arizona and our Wildcat Golf Program, please accept this letter of most sincere appreciation for support from Friends of Golf. Another year has passed and we are again very fortunate for your continued support of the wonderful game we share. The amount of golf being played as we move through the pandemic is very encouraging. FOG is a leader in the game, and we cannot accurately express our appreciation for the great work you do.

The generosity of Friends of Golf allows us to accomplish many goals we have set for the team. More importantly, we would not have the ability to teach young players of the game about the values and lessons golf provides. It is clear how important FOG is in teaching young people to respect the game. I have learned more about the organization's impact on many aspiring golfers. Our team and program will continue to play the game the way it was meant to be played and we hope we can represent a small piece of the FOG family. Finally, as coaches, we pledge to educate our players about the importance of giving time and talents back in the hopes they will someday grow the game similar to the way FOG has for them. We will continue supporting the FOG event hosted annually in any capacity which we are able. Please let us know if there are things we can do to help in the future.

Mr. Sal Cimbolo
Chairman & CEO
Friends of Golf, Inc.
9854 National Blvd. #340
Los Angeles, CA 90034

Dear Mr. Cimbolo:

On behalf of Los Altos High School Golf, I would like to thank Friends of Golf for their generous donation to our golf program. We appreciate the funds we have received in the previous years to help our golf run and provide as many opportunities as possible for our boys and girls to practice at the range and on the course. Many of our players are new to golf and the additional money provided by Friends of Golf provides the players with additional opportunities to practice and improve their skills. With more time spent at the course, our players are learning more about the game and finding the experience more enjoyable as they practice to become better players.

The money donated will make it easier for some of the players who have struggled to cover the costs associated with playing golf. With the additional money from the Friends of Golf, we are able to provide more opportunities for practice and matches for all our programs. With the school funding for our program continually being reduced, your donation has helped to make up for the deficit that would have otherwise reduced the opportunities for our students to play golf.

Again, thank you for your support of Los Altos High School Golf.

Sincerely,

Hal Evans
Los Altos High School
Head Golf Coach

Mr. Sambolo

I am writing to you regarding the generous contribution that your organization made to the Hemet High School Boys and Girls Golf Programs. We will be using the donation funds to purchase balls that the athletes in our program can use in their various competitions. In a year like this past year, your donation is especially appreciated as our athletes and their families have certainly faced some financial challenges and your group's financial support will ease some of that burden. We hope that we can represent the game of golf in a manner that will merit the support of your group. Again, we thank you and hope that we can continue to garner your support in the future.

Gratefully,
